OBJECTS OF THE INSTITUTION.

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief: indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods. Subscribers are invited to write in reference to any case in which they may be interested, to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 4.) More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant: no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

RULES FOR THE ADMISSION OF PATIENTS.

THE Hospital is devoted to the Treatment of the Children of the deserving Poor, suffering from Disease which is incurable or which requires for its permanent relief or cure a longer time than can be spared to such cases in General Hospitals.

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and twelve years of age those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—A certificate that the patient has not been suffering from any infectious disease, nor been exposed to infection, *must* be signed by a responsible person, cognisant of the facts, and be *brought with the child*

11.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

METHODS OF HELP.

The following means of assisting the objects of this Institution are set down for the information, and in response to the enquiries, of friends who may be willing to give practical support to its work.

COT ENDOWMENT.

The sum of **£1,000** endows a Free Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

The sum of **£750** endows a Half-payment Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs; the payment of two shillings a week being required on behalf of the occupant.

The sum of **£300** endows a Free Cot for the period of the Donor's life, and entitles the Donor to name it and to nominate a child to it as vacancies arise, no payment being required on behalf of the patient.

The sum of **£250** endows a Half-Payment Cot for the period of the Donor's life, and entitles the Donor to name it, and to nominate a child to it as vacancies arise, the payment of two shillings a week being required on behalf of the patient so nominated.

These Life Cot Endowments can be converted into Permanent Endowments upon the death of the Donor, either by bequest or otherwise. (See p. 4.)

COT SUBSCRIPTION.

An Annual Subscription of **£40** entitles the Subscriber (during its continuance) to name a Free Cot, and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

An Annual Subscription of **£30** entitles the Subscriber (during its continuance) to name a Half-payment Cot, and to nominate a child to it whenever a vacancy occurs, the payment of two shillings a week being required on behalf of the occupant.

ANNUAL SUBSCRIPTION.

An Annual Subscription of **£10 10s.** and upwards constitutes the Subscriber (during its continuance) a Governor of the Hospital; such Governor being entitled to attend and vote at the Annual Meeting of the Committee and Governors, and to nominate one case annually; such child having precedence of admission over those recommended by other Subscribers.

An Annual Subscription of **£1 1s.** and upwards entitles the Subscriber (during its continuance) to recommend one child annually; such case taking precedence of admission over those not so recommended.

[The use of this Bank Order Form by those Subscribers to whom it may be convenient, saves a certain small amount of trouble, risk, and postage. When filled in, it should be returned to the Secretary, at the Hospital. Acknowledgments of payments received through Bankers are duly sent to the Subscribers.]

ASSISTANCE FOR SPECIAL CASES.

Some friends prefer to concentrate their interest upon one particular Cot or case. A few methods of doing this are suggested :—

- (1) The maintenance payment for a child at the Hospital is £10 8s. per annum, the actual *cost* of its support being about £54 per annum. In the majority of cases the parents are able, and ought, to pay some part of this sum, but help to a greater or less extent is often needed. The Secretary can always furnish details of cases requiring such help.
- (2) Assistance in finding suitable Homes for children requiring care and attention after leaving the Hospital, is frequently wanted by the Committee.
- (3) Contributions towards the purchase of instruments, carriages, &c., for discharged patients, and towards their maintenance at Nursing or other Homes, are always welcomed.

DONATIONS.

A Donation of £52 10s. in one sum constitutes a Life Governor of Cheyne Hospital. (For privileges see under Annual Subscription.) Contributions of any amount are gratefully accepted and acknowledged; and these unexpected gifts come sometimes with particular gratification at a time of special and depressing need.

GIFTS IN KIND.

Amongst the gifts which are always specially welcome are :—

Cast Linen of any kind; also Children's Clothing, Counterpanes, Blankets, &c. Game, Fresh Fruit and Eggs, New (*unbroken*) Toys Jellies, &c., from table are much appreciated.

The Lady Superintendent will forward patterns of red and blue jackets, flannel vests, night-gowns, and holland pinafores to any friends who may be willing to provide some of these constantly-needed articles of clothing for the children, the large majority of whom are always confined to bed. Miss Elam would also be most grateful for some parcels of old linen or calico of *any* kind, a supply of which is daily required.

ENLISTING FRIENDS.

It remains to mention one method of help which is within the means of almost all, and which may prove as valuable as any.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

THE ANNUAL GENERAL MEETING.

Thirty-Fourth Annual Report
OF
 The Committee of Management
OF

 Sick and Incurable Children,

For the Year ending December 31st, 1909.

THE Committee of Management have pleasure in presenting their Report for 1909, and they are glad to be able to say that, whilst there has been no increase in the number of deaths, there has been a marked improvement in the results obtained, 15 children having been discharged *cured* as compared with an average of 7.66 during the past twenty-one years.

The following is a summary of the nature of the cases which have been treated :—

	Treated.	Discharged Cured.	Discharged Relieved.	Removed.	Died.	Remaining in Hospital.
Tuberculous Disease of Spine	30	6			3	21
Do. Hip -	12	2	1		2	7

Amyloid Disease of Kidneys following amputation -	1				1	
Necrosis after Acute Osteo- myelitis - - - -	2					2
	75	15	4		6	50

These results may be considered as most encouraging, not only to those to whose patience and professional care they are due, but also to all those, who by their generous support, have enabled such successful work to be carried on.

The Committee confidently look forward to still better results as the outcome of their Branch Establishment at St. Nicholas, referred to later, as many cases, after a certain amount of treatment at this Hospital, will probably make more rapid progress in the fine bracing air of North Kent, than in London.

It would take too much space to enumerate the various places from which patients have been received into this Hospital, but the following particulars will illustrate that it is not an Institution for the treatment of London children only, but that they are brought from many parts of the country, the only qualification required being that they shall be such cases as need the treatment this Hospital was established to provide.

Since 1886 there have been received :—

From London proper	294
London General Hospitals...	68
Country Districts	111
			<hr/>
			473
			<hr/>

There has been no epidemic of sickness during the year.

The Committee greatly regret to report the death of Mr. R. Marcus Gunn, their Ophthalmic Surgeon.

The sincere thanks of the Committee are due to the Medical and Nursing Staffs for their constant care, and they congratulate them on the success of their efforts.

Finance.

It is greatly to be regretted that there has again been a reduction in the list of Subscribers, through deaths and withdrawals, but Donations have come in somewhat more liberally than in the previous year.

Special thanks are tendered to W. C. Alexander, Esq., and Miss Cardwell for their generous help, and also to the Executive Committee of the "Chelsea Pageant," who most kindly awarded to this Institution the sum of Ten Pounds out of the profits of the Pageant held in 1908.

The following Legacies have been received:—

	£	s.	d.
The Executors of the late Miss Sarah Perkins	100	0	0
The Executors of the late Lady Otway	200	0	0
The Executors of the late J. N. Fazakerley, Esq.	50	0	0
The Executors of the late Miss Gosselin	100	10	10

The Committee most sincerely thank Miss Geraldine Gosselin for having paid the Duty on the last mentioned Legacy, whereby the full amount of the Legacy was handed over to the Hospital.

The following have been appointed during the year as Life Governors:—

H. T. Edge, Esq.
George William Rowe, Esq.
Humphrey Whitby, Esq.

The work of the St. Nicholas Branch will require extra funds if the Cots are to be kept full, and all those interested in the Hospital are earnestly asked to do their best to secure new Subscribers. Donations are of course very welcome, but it is much more satisfactory to be able to rely on a regular income, and therefore Annual Subscriptions, even if only for a small amount, are most desirable.

Cots.

The Subscribers to the "Little Cranstoun" Cot decided to hand over a sufficient sum from the amount collected, to endow it as a Half-Payment Life Cot, and they have paid the sum of £250 to so endow it ring the life of Miss M. Kerr,

They are continuing their efforts to raise enough to make it a permanently endowed Half-Payment Cot.

Thanks are due to Miss E. A. B. Lindsell and her friends for their kind efforts in respect of this Cot.

The thanks of the Committee are also due to Miss E. Marcon and Miss Gibbes for raising the necessary funds in support of the "Curzon" and "Kensington" Cots respectively.

St. Nicholas Hospital.

It has been decided to name the Country Branch referred to in the last report the "St. Nicholas Hospital for Children."

Unforeseen difficulties have caused delay in the completion of the necessary alterations and additions to the buildings, but before this report is circulated, the Hospital will be occupied, and the Committee feel confident that the house as planned will be very suitable for the work to be carried on there, and they sincerely hope that the results obtained in the future will thoroughly justify this extension of the work of the Institution.

There is no doubt as to the beneficial quality of the air in that neighbourhood, and it must be of great benefit to many of the patients who will be sent there.

The Committee congratulate themselves on having secured as Matron, the services of Miss A. C. Mac L. Money who has had considerable experience in Hospital nursing.

They hope that any friends who may find themselves at Westgate or the neighbourhood will visit St. Nicholas.

They also appeal to ladies living in the neighbourhood to take a kindly interest in the welfare of the children there.

It greatly brightens their lives to be visited by any who have sympathy with suffering and who are willing to spend even a short time in helping to teach and amuse those who are unable to do anything for themselves.

General.

The Committee greatly regret to report the death of the Marquis of Ripon, who for some years acted as one of the Trustees of the Hospital. His loss is the more to be deplored as it has followed so closely upon that of the late Marchioness of Ripon.

Acknowledgments.

The thanks of the Committee and of all in the Hospital are tendered to the Staff of St. Luke's Church, Chelsea, for their continued kindness in ministering to the spiritual wants of the patients during the past year.

The Committee also desire to thank all those who have so kindly visited and provided entertainments for the children, as well as those who have sent gifts, and especially any who by their financial help have enabled the work of the Hospital to be carried on.

The Lady Superintendent will be thankful for gifts of clothing which is always wanted for patients leaving the Hospital.

The following members of the Committee of Management retire at the Annual Meeting, in order of the seniority of their appointment, and are eligible for re-election thereupon, viz.:—Leonard F. Harrison, Esq., Miss Forbes, and Reginald Blunt, Esq.

Signed on behalf of the Executive Committee,

COLIN C. SCOTT-MONCRIEFF, *Chairman.*

LEONARD F. HARRISON *Treasurer.*
